Jesuit High School, established by the Society of Jesus in 1956, is a Catholic, college-preparatory, four-year secondary school. JHS serves students of all religious faiths. It is located on the west side of Portland, Ore., which has a growing metropolitan population of approximately two million people.

MISSION Jesuit education fosters the harmonious development of the adolescent’s gifts: spiritual, religious, intellectual, physical, emotional, and aesthetic. Jesuit High School hopes to accomplish this development by demonstrating a personal concern for individuals, a special concern for the poor, an articulate wisdom, enthusiasm, and a sense of community. In so doing, the school hopes to graduate leaders who are committed to serve God and their fellow men and women. Our hope is that our students develop a profound sense of justice founded in love, i.e., leaders who are “men and women for others.”

TRANSCRIPT NOTATION

EHS ABBREVIATION ON TRANSCRIPT

Edison High School is an accredited high school on the campus of Jesuit High School designed to serve students with learning differences through small class sizes and engaging instruction, while maintaining strong scholastic standards. Edison’s academically challenging curriculum follows the State of Oregon’s graduation requirements. Though Edison is independent of Jesuit, a collaborative relationship exists between the two schools. Jesuit students with learning differences (e.g., ADHD, dyslexia) may qualify to enroll in 1-3 classes per year at Edison.

A student’s Edison classes are included on their Jesuit transcript and count toward Jesuit graduation/ diploma requirements.
