

Jesuit Athletics

Welcome to the Jesuit High School community. Jesuit offers many sports programs through our athletic office for students of all athletic abilities. It is our mission to help you develop your character and maximize your athletic potential through the discipline of athletic competition. Below is some information to help you as you begin your journey here at Jesuit. Again, we welcome you.

Frequently Asked Questions

Note: Because of Covid-19, this information will likely be updated for early summer. Check our athletic website for updates.

Q: Are there Jesuit athletic activities this summer?

A: The following is our traditional answer which we wanted you to read. However, activities will need to be modified because of Covid-19. To increase your chances of making a team or becoming a starter, freshmen are encouraged to workout during the summer. Play on a summer league team, get on a workout routine, and/or just stay active. The weight room will be open from 8- 10 am Mon- Fri and 5:30-7 pm on Monday, Wednesday and Thursday evenings. Plyometrics are also run in the summer and are open to all students on M/W/F from 7-8am. Plyos and Weight Room hours begin on June 8th. These hours are subject to change, so confirm hours on the athletic page of Jesuit's website this summer. Information on summer training for specific sports is listed on the next page.

Q: Are there Jesuit Summer Athletic Camps?

A: Yes, many Jesuit sports have summer camps. Participation in camps is strongly recommended but does not affect whether a student makes a team during the regular season. Camp information and online registration can be found [here](#). If you have questions regarding camps, call 503-291-5486. *Many camp dates are being moved to August or cancelled. Please keep checking the camp website for updates.*

Q: I don't want to miss anything; how do I get information on fall tryouts, camps, etc.?

A: Camp registration is available online [here](#). Specific information regarding tryouts will be sent by email in the summer and will be posted on the team pages for each sport by July 1st. All of this information will also be posted on the [main athletic page](#) of jesuitportland.org.

Q: When are Fall Tryouts for Freshmen?

A: Fall Tryouts begin Monday, August 17, 2020. Freshmen competing in football, soccer and volleyball are required to start tryouts on Monday, August 17th. Freshmen participating in cross country are encouraged to start on August 17th; however, mandatory practice for freshmen participating in cross country starts on the first day of school.
