For the Birds: Guided Goose Trip & Overnight Stay in E. Oregon for Four

A mere two-and-a-half-hour drive from Portland, Boardman, Oregon is home to Threemile Canyon Farms, a private farm on the Columbia River. Well known in hunting circles as one of the premier bird hunting areas in the state, Threemile Canyon Farms is located within the Pacific Flyway and provides arctic nesting geese a resting stopover and wintering site. The farm restricts hunting to “invitation only” guests so your party of four will enjoy a private hunting ground of over 93,000 acres. Your guide is knowledgeable and always receives high marks from visiting guests.

Relax and dine after a satisfying day of hunting at the River Lodge and Grill. With its huge picture windows and open, lodge-style dining room, you’ll enjoy watching the sun set on the majestic Columbia River. The River Lodge and Grill offers a quiet getaway, where the great outdoors is right outside the front door.

Date to be arranged in advance. Gratuity for hunting guide not included.

Meriwether’s Restaurant in Northwest Portland is committed to freshness. So much so that its owners, Jesuit parents John and Renee Orlando, source their restaurant’s produce from their own vegetable farm. Skyline Farm, a five acre vegetable oasis located at the apex of Skyline Boulevard, provided 15,000 pounds of fresh produce for Meriwether’s in 2011 alone.

After a personal tour of the farm, 10 lucky guests will join the Orlandos for an outdoor dinner party (with wine from Galaxy Wine Company!) prepared by Meriwether’s own Chef Earl Hook from items harvested at the farm that day. “Farm to table” doesn’t get any more literal than this!

Please call well in advance for a mutually agreeable date and time in 2012 - summer or fall is preferred.

Chef Lisa Glickman believes dinner parties should be as unique as the people who host them. Her business is based on customized menus for intimate groups, not pre-set catering options. Lisa is inspired by fresh ingredients, spices, methods, and styles from around the world. She will work with you to create the perfect party, one that reflects your tastes and personality. To ensure a totally relaxing evening for your group of 20, members of Jesuit’s own Board of Trustees will assist Lisa with service and clean-up!

To complement your dinner, Mike Wisnovsky from Valley View Winery will provide wine from his family’s winery and be on hand to discuss his selections. Located in the Applegate Valley of southern Oregon, Valley View was originally established by pioneer Peter Britt in the 1850s. The name was restored in 1972 when the Wisnovskys planted their vineyard. Because the Applegate Valley is considerably warmer and drier than elsewhere in western Oregon, Valley View concentrates on Cabernet Sauvignon, Merlot, Viognier, Syrah and Tempranillo.

A Precious Samoyed Puppy

Friendly, happy and people-oriented, these stunning white Nordic dogs are accepting, loving members of the family. Generally tolerant, they don’t have a bone to pick with either man or beast. Few dogs have the range of facial expressions that sled dogs do - when happy, they positively grin.

Sammys are highly intelligent, and will respond to firm, patient training if started at an early age. No outside dog, the Sammy needs and wants to be with you! “We face horizons that move us from a calm serenity through turbulent storms only to return back to a peaceful state with a deeper understanding of ourselves. My paintings reflect these moments as expressed by nature.”

Landscape artist Jeff White’s paintings represent a spiritual journey, a realization of the harmonies seen between the environment and man. Much of Jeff’s inspiration comes from the Columbia Gorge and the Northwest coasts, mountains and rivers where he explores nature’s colors, shapes and moods. Jeff’s work has been shown at numerous galleries including The Lawrence Gallery and The Real Mother Goose and he has been spotlighted on OPB’s Art Beat. Currently, his work can be viewed at Gallery 903 in the Pearl.

Perhaps Golf Odyssey summed it up best:
“it is here, on this remote stretch of wildly stunning Oregon coast, where the finest golf courses in the world quietly await you.”

The game of golf was born on rugged, wind-swept land like this - where every hole, every hazard and every shot is defined by nature’s infinite presence. True links courses are rare, with only about 160 on the entire planet. Bandon Dunes represents golf as it was meant to be.

This package includes 12 rounds of golf on your choice of five spectacular courses and two nights lodging for four at the Lily Pond, just a wedge shot from the main lodge. The Lily Pond rooms are spacious and include two queen beds, a sitting area, fireplace, and private deck overlooking the Lily Pond and surrounding forest.

Round trip air travel on a private turbine aircraft piloted by a professional pilot is also part of this ultimate golf excursion.

Bandon Dunes Golf Resort: Valid through April 30, 2013. Subject to availability. Round Trip Air Travel for 4: Round trip private air transportation between Aurora Municipal Airport and either Bandon State Airport or Southwest Oregon Regional Airport. An assignment to alleviate poverty in the Mississippi Delta changed Sr. Mary Bertoli’s life. She discovered a creative artistic side she never knew existed. The lack of materials and teachers in her area led Sr. Mary to what was available: inexpensive tissue paper and glue. Now her tissue paper pictures capture the spirit of the people she meets.

Sr. Mary lives and has her studio in Portland. She is also the proud aunt of four Jesuit students. Community is representative of our students and their service in our community.

Dunn Vineyards has been crafting chewy, tannic, uncompromising Cabernet Sauvignons of outstanding depth for a quarter of a century. The property on Howell Mountain is dotted with vineyards in the midst of beautiful forested hillsides. The Napa Valley bottling, made with fruit from the valley floor as well as some fruit from the estate vineyards, is typically a bit less forbidding in its youth than the Howell Mountain release, but both are powerful black fruit-dominated Cabernets.

This lot consists of 10 bottles of aged Dunn Vineyards Howell Mountain and Napa Valley Cabernet Sauvignon.

One magnum 2006 Woodward Canyon Winery Estate Vineyard Walla Walla Valley Red Wine, signed by winemaker Rick Small. This wine was rated 95 by the Wine Enthusiast and #12 in its 2009 Top Cellar Selections. “This is Woodward Canyon’s reserve—the best lots of Cabernet Franc, Petit Verdot, Cabernet Sauvignon and Merlot created this very limited wine. It is built to age, and reflects the tight and muscular style that Rick Small has developed over the years. There is a strong mineral-metal vein running through the black and blue fruits, and some very lively spicy highlights. Tannins are ripe but firm, and this is a wine that will benefit from further cellaring.”

Advantage Testing of Portland -
Eight SAT/ACT Tutoring Sessions

Make certain your student is well-prepared for college testing with eight 100-minute SAT/ACT tutoring sessions from Eduardo Perez-Giz of Advantage Testing of Portland.

Advantage Testing respects and complements the curricula and high standards of teaching at schools and colleges. Their tutors have dedicated their careers to helping students develop their math, critical reading, logical reasoning, and writing skills, along with a host of other abilities important for tests and academic subjects. As Tony Schwartz writes in his New York Times Magazine article: “[Advantage Testing founder Arun] Alagappan isn’t so much teaching the test as simply teaching—in this case, intensive tutorials in math or reading.”

Furthermore, the SAT program often inspires students to work harder at school. In his article, Mr. Schwartz describes “sending [his] own teenager to work with [Advantage Testing] several years ago, paying the full fee for doing so and observing not just a significant increase in SAT scores but also major improvement in schoolwork and a burgeoning intellectual self-confidence...” It is their goal to enrich their students’ intellectual growth both within and beyond the scope of standardized tests.
