N.B. *Cell phones will not be allowed for any use (this includes text messaging and Internet and MP3 and game usage OR TAKING PICTURES) on this weekend unless instructed to use them in case of an emergency. Please turn them off before you get on the bus at Jesuit High School and you can turn them back on when you cross the Willamette River coming back to school. If you are caught using your phone, it will be confiscated and you'll get it at the end of the retreat. You are on a retreat; please do not bring yourself back into the world by using a cell phone. In case of a real emergency you certainly would be given permission to use it, otherwise please leave the technology alone. If we see your cell phone, we will take it. **Needless to say, you should all know how to behave on a bus.***

More Personal Notes:

The leaders and adults are looking forward to sharing this overnight with you. We have worked hard over the past month to make this an exceptional experience for you. We hope this Sophomore Overnight Retreat will be as great as ours was! If you have any special concerns or questions, please email Mr. Hughes or Mr. Clarke.
