

UPWARD BOUND CAMP

OUR MISSION:

Upward Bound Camp (UBC) provides year-around, Christian-based recreational and educational camp experiences for persons with diverse-abilities.

OUR VISION:

Upward Bound supports the belief that every person is important, created by God, worthy of love and caring service. UBC gives every participant opportunities to realize and share their gifts and strengths with each other.

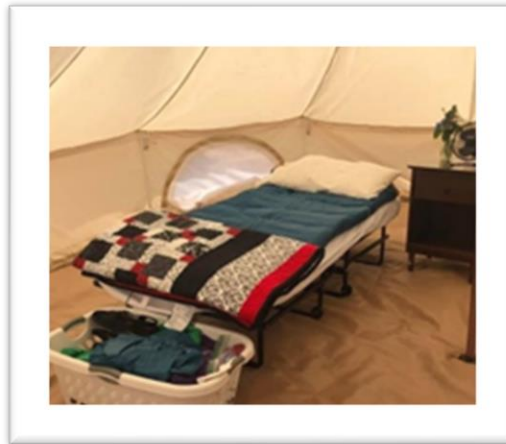

OUR VALUES:

Since 1978 UBC has worked to establish a diverse community of campers, staff and volunteers, intentionally building a strong and inclusive community, promoting respect and understanding of all who participate. UBC staff and board members actively cultivate relationships with business and community members in the Santiam Canyon and beyond in a sincere and conscious effort to expand the understanding of community, acceptance and inclusion, enriching the lives of all participants.

About Upward Bound Camp:

Our camp was burned in the fires of 2020, and we are working to rebuild the buildings that were lost. In the meantime, we have opted to hold summer camp using tents (as pictured below). Our kitchen and cafeteria did suffer some damage from the fires, but they will be refurbished and ready for summer camp this year!
